The word "reflections" can refer to more than bouncing photons. It may mean the long-ing gazes into the past when dulled pictures are fondly buffed and light emerges.

Carlyle

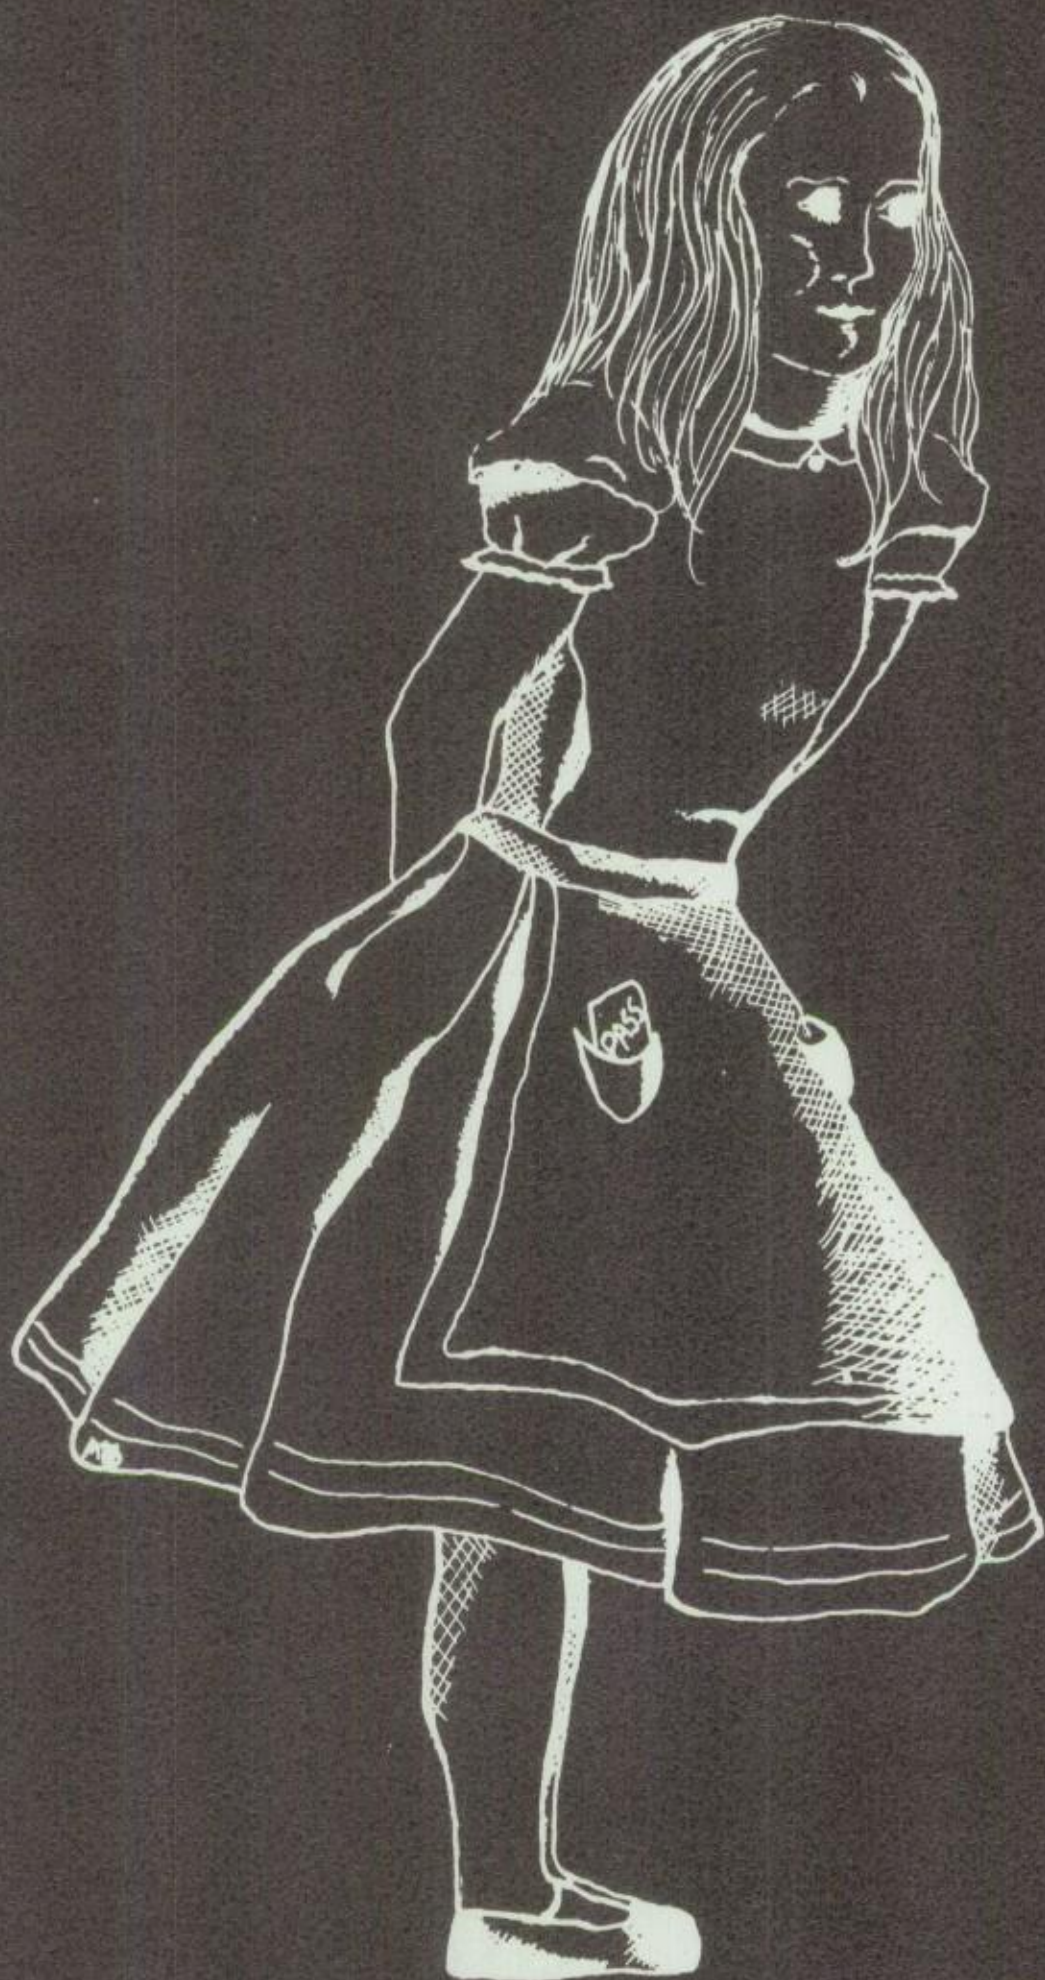

In the course of our high school years, perhaps the most important thing we can learn is how to govern ourselves.

We need someone to teach us this by disciplining us with fairness and firmness, thus earning our respect. We are fortunate to have such a person here at Unionville. He is patient, kind, understanding, and a person to whom we can talk about any problems that arise in the course of a school day. As a disciplinarian he is admired and respected by all.

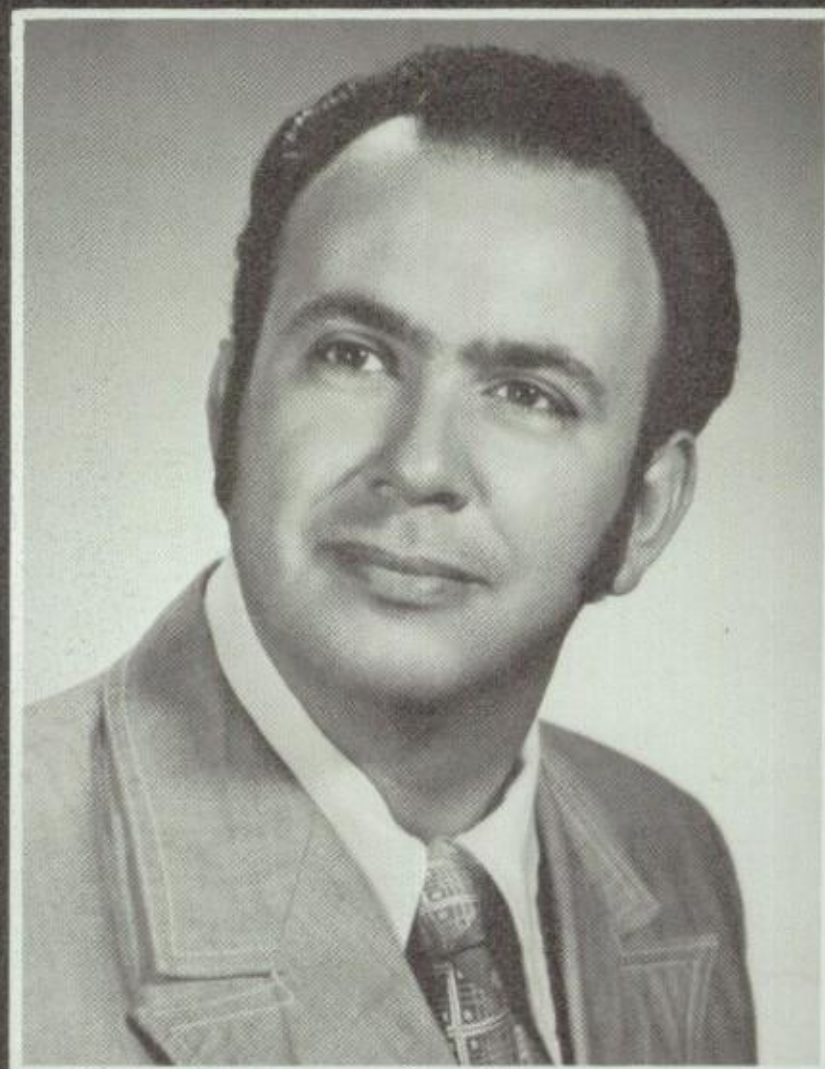

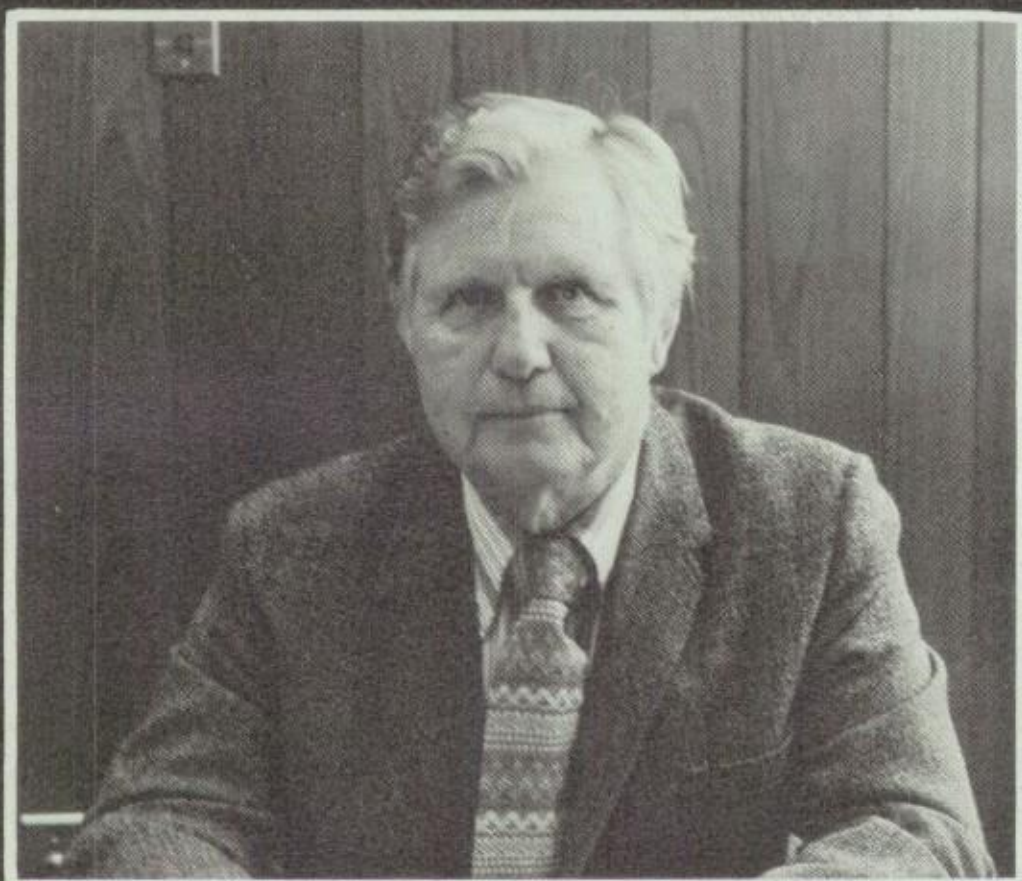

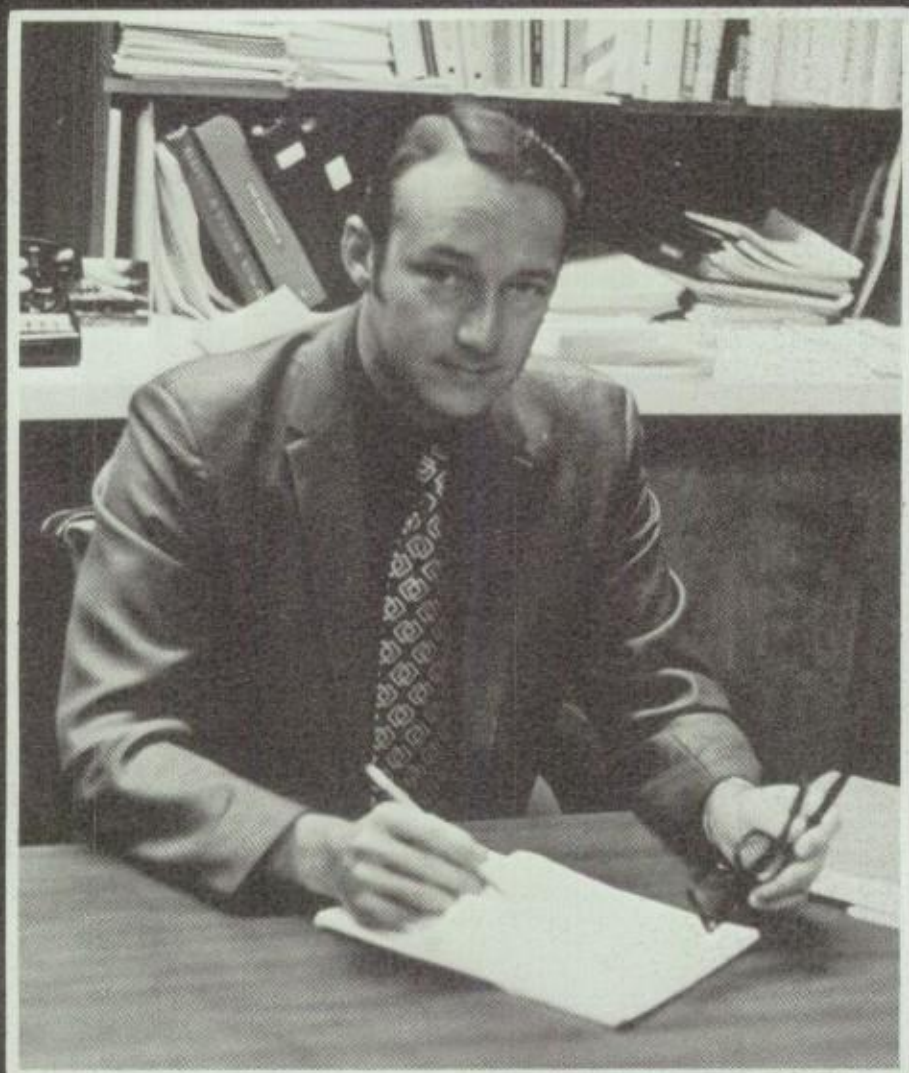

Therefore ... we, the class of 1974, are proud to dedicate our yearbook to you, Mr. Alioto.

ORGANIZATIONS

Student Council

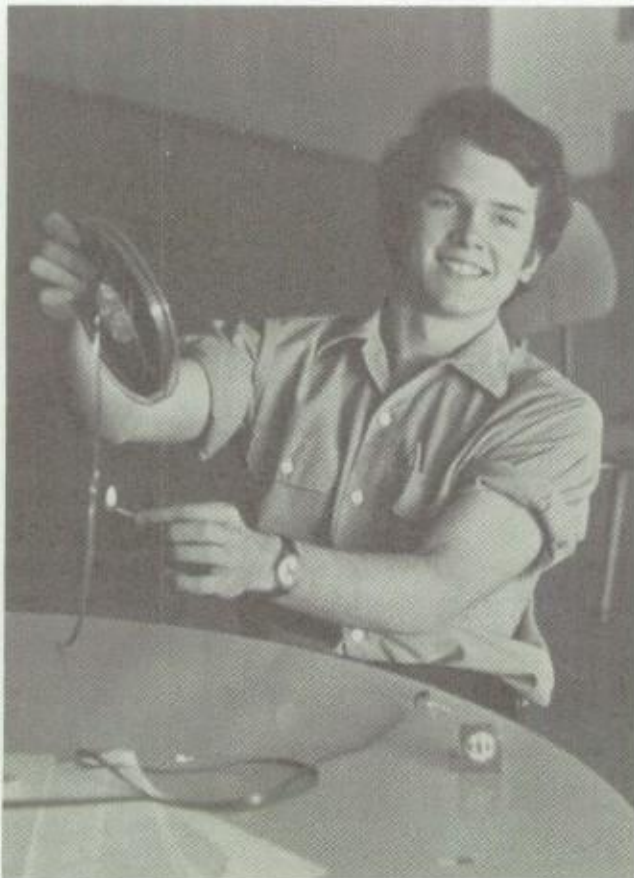

There is a misconception among many people that merely through thinking and talking, great events will come about. Although a large majority of people very religiously engage in these two activities, they live under a false conception. For only action - swiftly, diligently and directly applied - can bring achievement and the accomplishment of one's goals. Even though action may turn to failure, one is closer to success than those who would do nothing but complain of defeat.

The student council this year has taken more action on new ideas and original thoughts than probably any previous council. The initial steps have been boldly taken. It will be up to future councils to preserve this work and to strive toward making Unionville a better school.

Foreign Exchange Students

We were proud to have such a great group of foreign exchange students with us at Unionville this year. Living and working with students from different countries and cultures proved to be not only a worthwhile experience but also a lot of fun.

Representing Unionville abroad is Susan Connor, who is spending this year in Brazil. We were pleased to have Amparo Llamas come to Unionville from Colombia before she had to leave us in December. We also had to say goodbye to Sherrill Collyer, who had been with us since January of 1973, as she went home to South Africa. Angelika Schlutius, better known as Angie, was our only year-round foreign student this year, and she hails from Germany. In January, Unionville received two new exchange students from South America, Marilene Schmid from Brazil, and Esther Franco from Argentina.

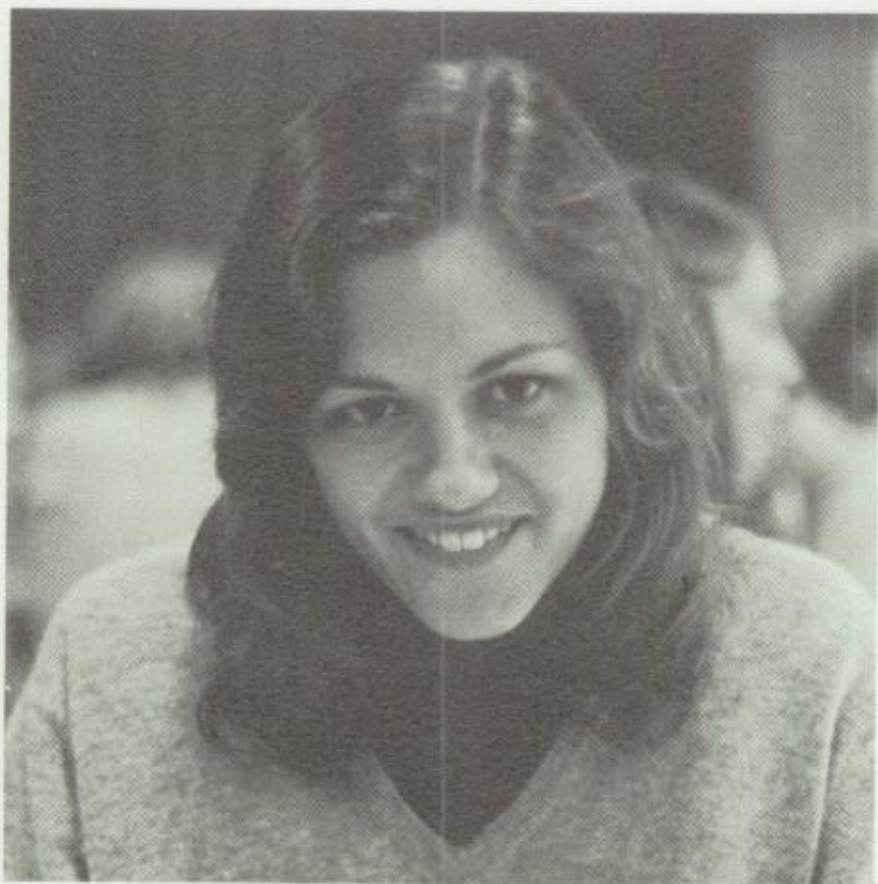

We hope that these students who have shared so much with us will remember their stay here as pleasantly as we will.

VARSITY SOCCER FRONT ROW: S. Gebhard; J. Coughlin; D. March; J. Hall; J. Hoobler; S. Ryan; E. Hug; H. Snow; R. Smith; T. Carlin, manager. BACK ROW: L. Krug, coach; E. Bennett; R. Stively; M. Braly; J. Heimberger; S. Kelly; D. Freeman; H. Price; J. Cott; P. Laberee; T. Ryan.

The varsity soccer squad had a 4-7-3 record last fall. Despite this record, the team played well in all games and just failed to put the winning combination together. Throughout the year our problem was scoring as our defense played quite well. A positive factor was that Ed Bennett, halfback, was voted to the first team of the Southern Chester County soccer league.

J.V. Soccer

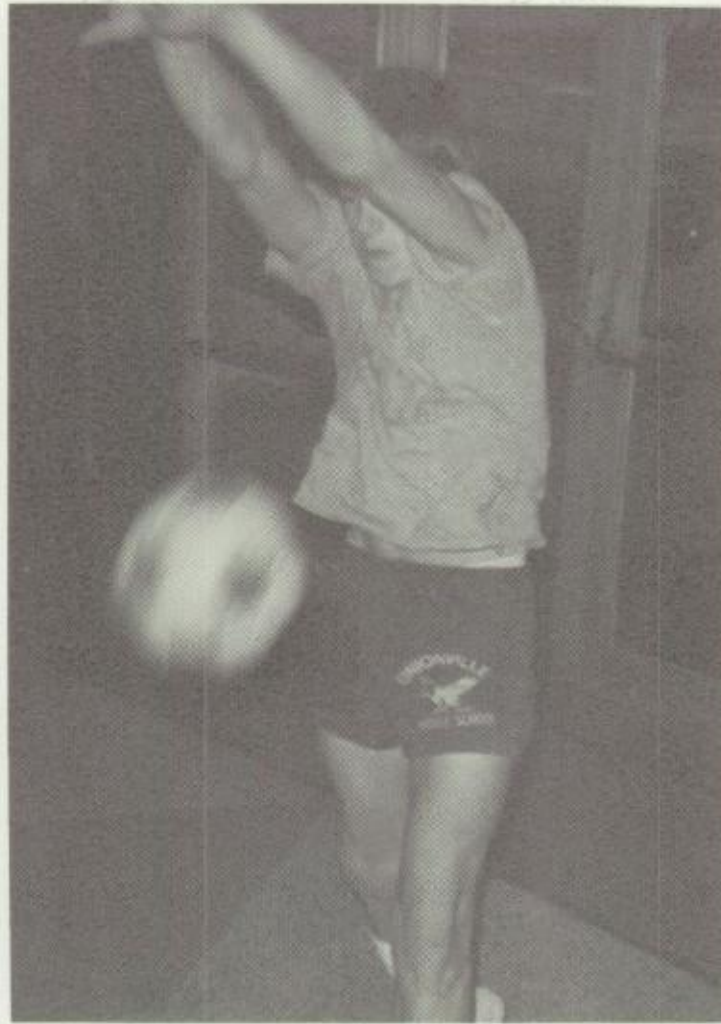

The J. V. Soccer team had a very good season this year. Under Coach Roger Heller they had a 10-3-1 record with 2 losses in overtime. A solid defense with goalie C. Oas limited opponents to only 7 goals. With 13 goals, T. Ferron led all scorers.

Ninth Grade Soccer

Although our 9th grade soccer team's record was 1-3-3, the record does not truly tell how they played. Under the direction of Coach Middleton, the team played well but just didn't get the breaks. The three captains were Tom Toole, Dave Ferron, and John Spoehr. Remaining members of the squad:

Varsity

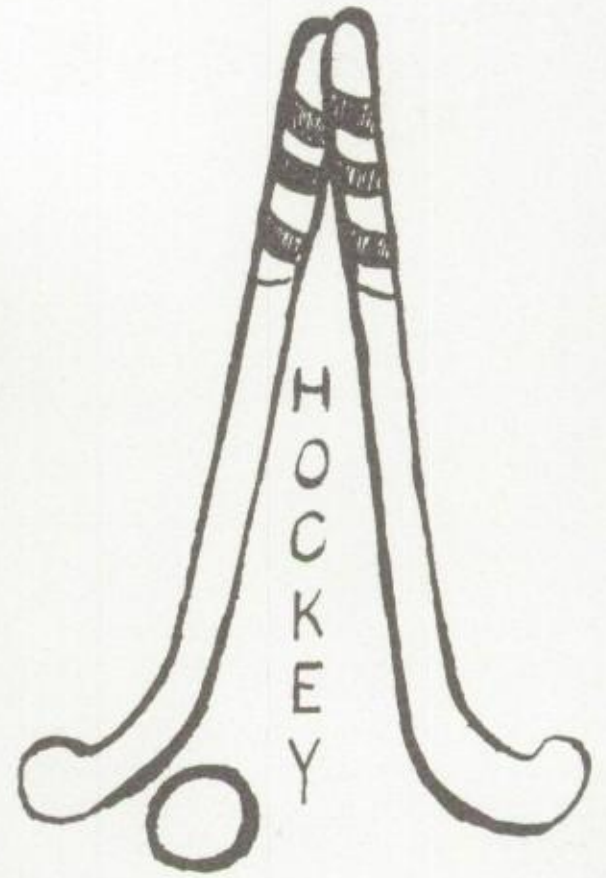

Our Varsity hockey team this year sure went to it out on the field and had a tremendous time while they were at it. Of the seven wins, the final game played against Octorara was the most thrilling. They really showed up the Octorara team, who had been undefeated for three straight years. After that hard-won victory, they were sorry to end the season but proud of the team's second place.

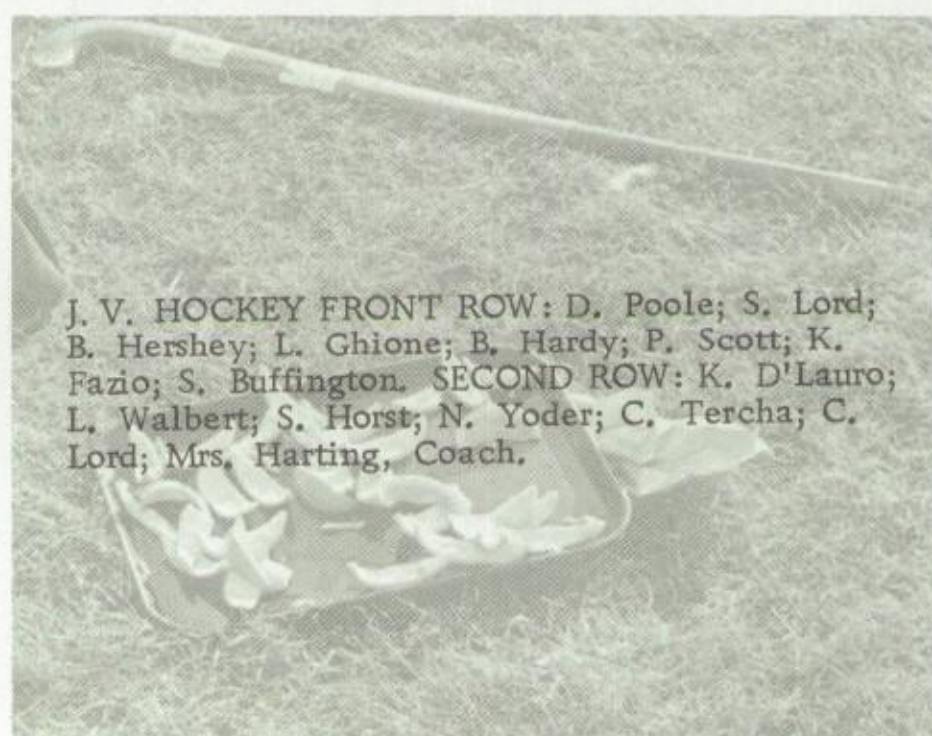

VARSITY HOCKEY FRONT ROW: S. Mooberry; B. Bean; L. Conner; F. Powell; S. Ward; K. Herrman. SECOND ROW: M. Lovall, Coach; C. Shaw; D. Masho; S. Smith; J. MacIver; S. Miller; J. Carroll.

Hockey

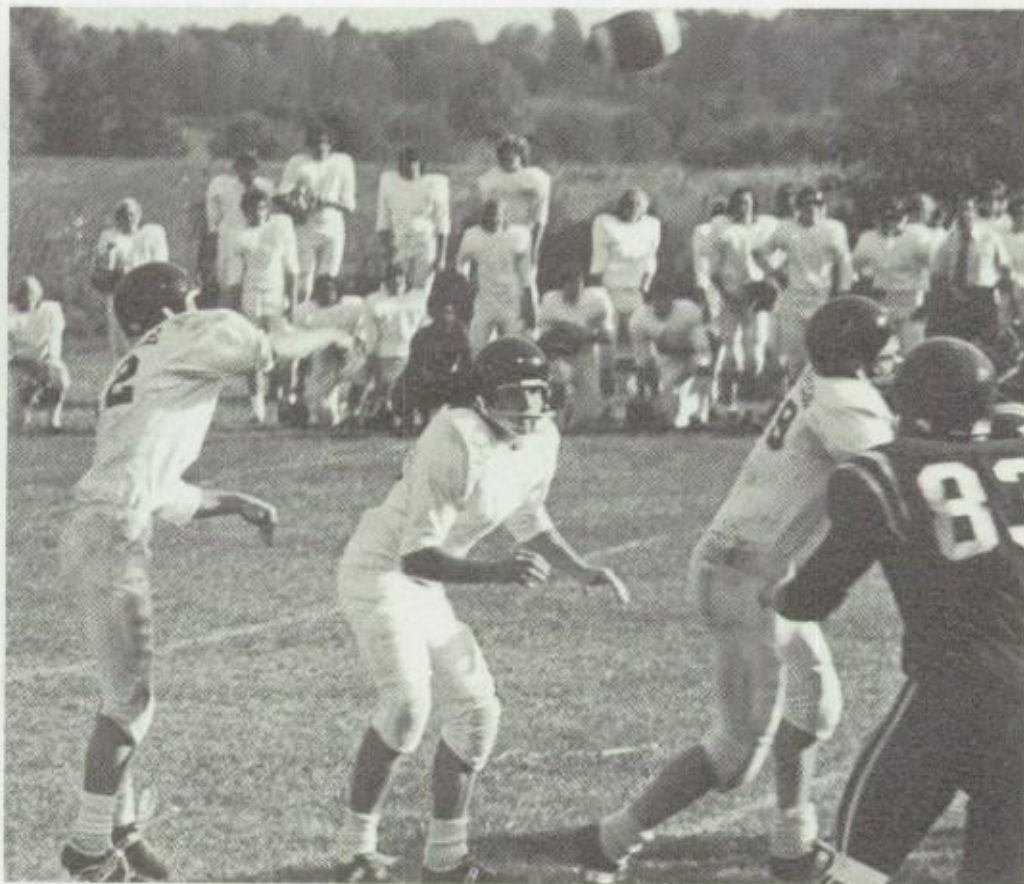

J.V. Hockey

The Junior Varsity hockey team had a new coach, Mrs. Harting, this year. The team's record of only one loss, five wins, and two ties illustrates how well she worked together with our girls. The J. V. team shared the varsity's victory in the final game over Octorara's championship team. With many new girls out for hockey this year, we anticipate another great season in 1974.

Under head coach, Mr. William Hough, and assistant coaches, Mr. Dennis White and Mr. King Perry, the Unionville High School's football squad drilled and worked very hard this year. Although sweet victory has yet to be acquired by our team, each coming week with hard work, improvements and impressive showings are noticed by all. One impressive thought is that the squad, consisting only of freshman, sophomores, and juniors, will not lose any players from graduation. Hopefully, next year with the same people, improvement will be achieved.

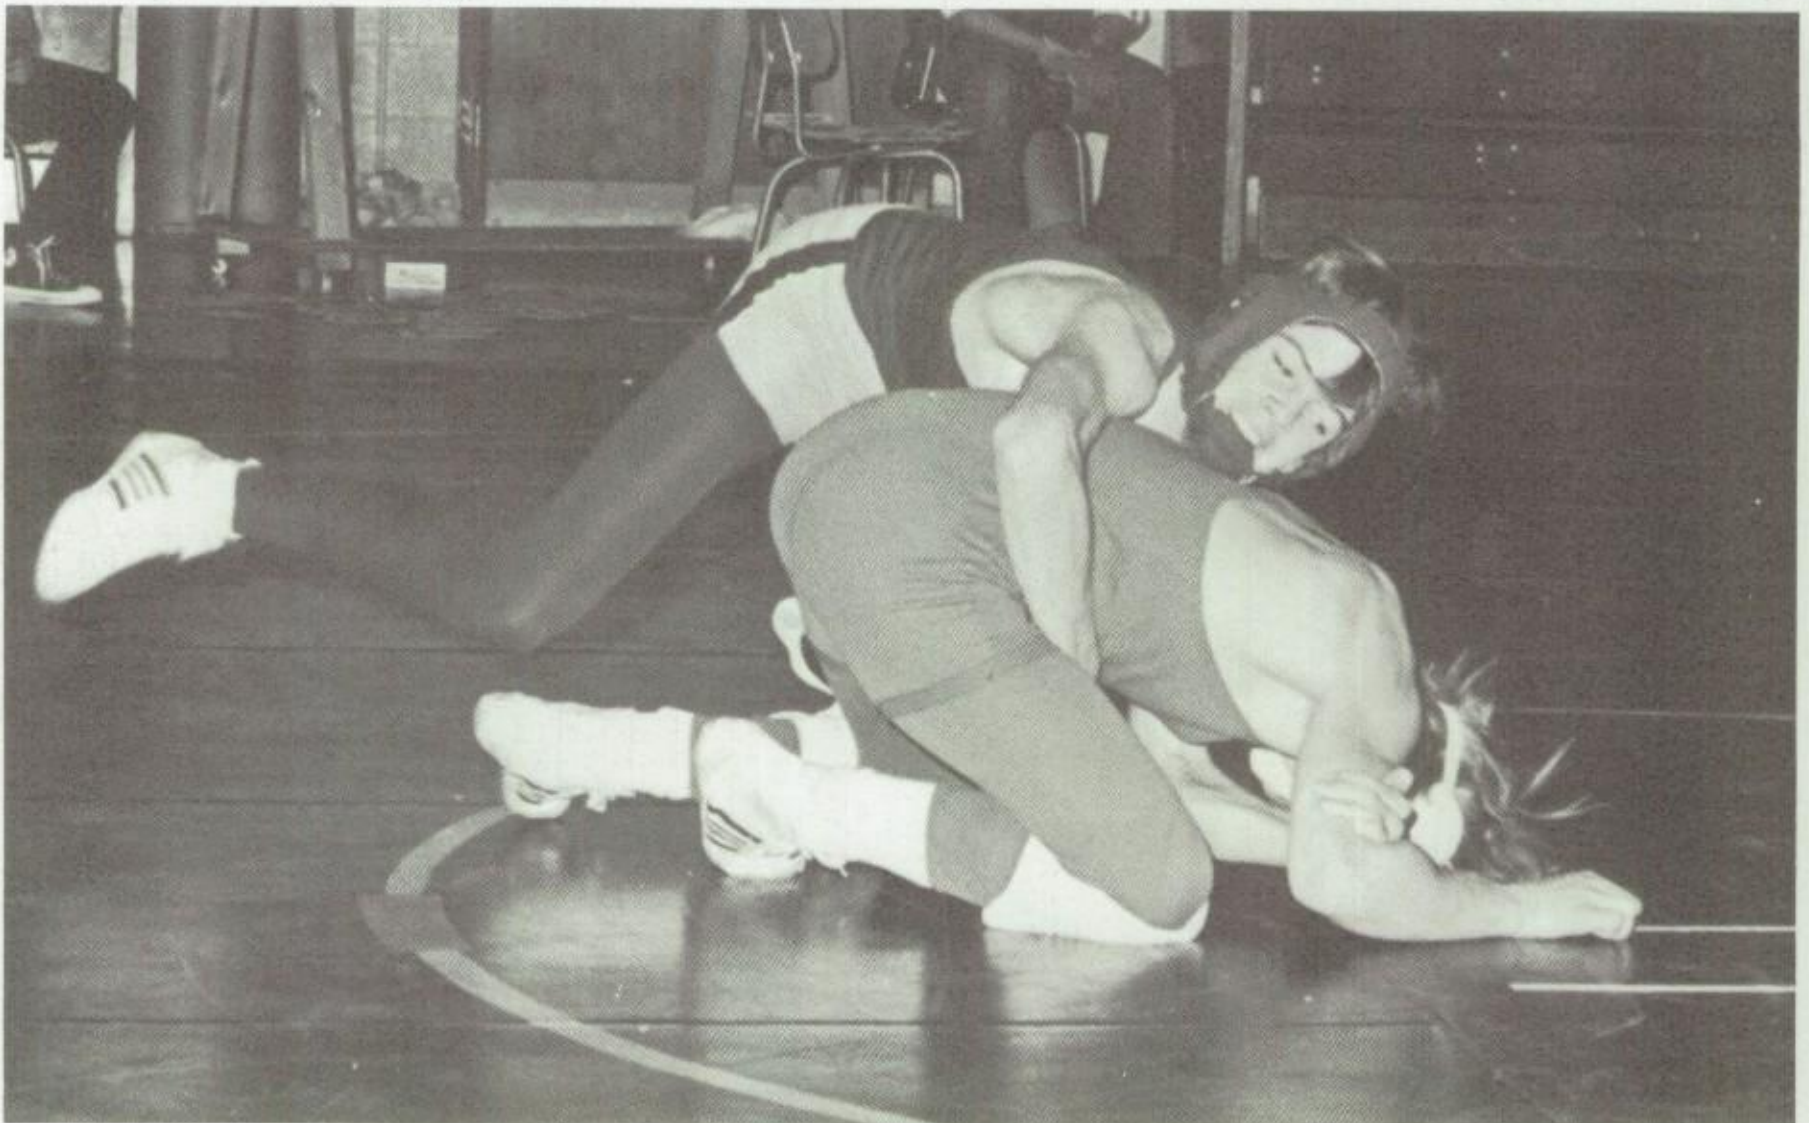

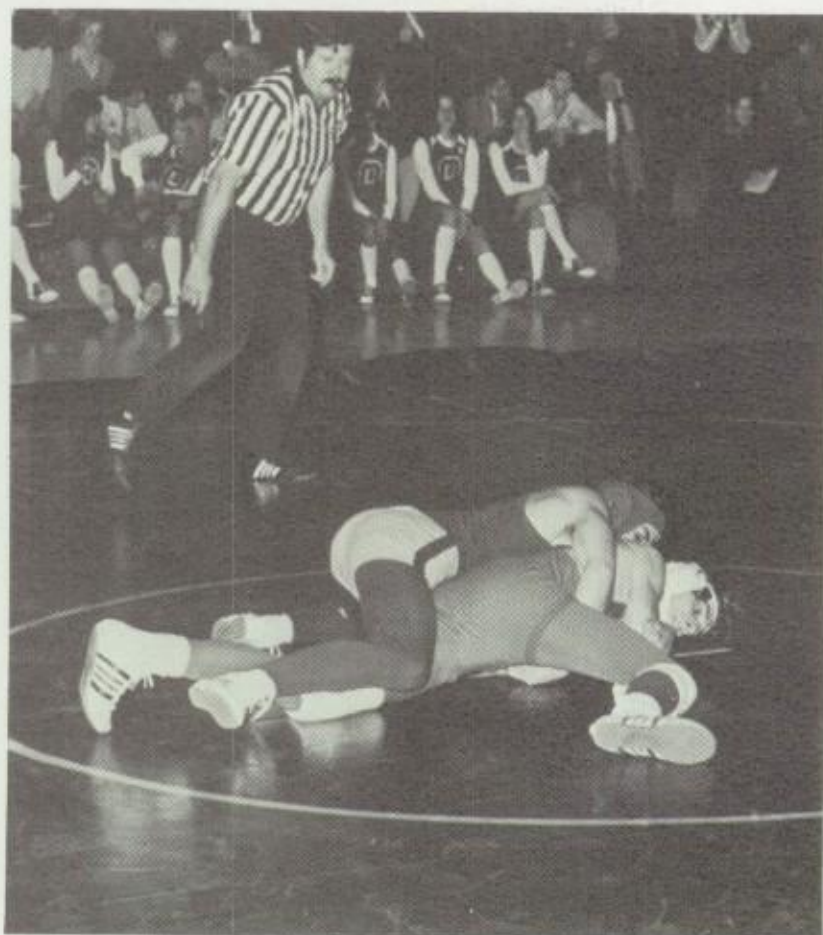

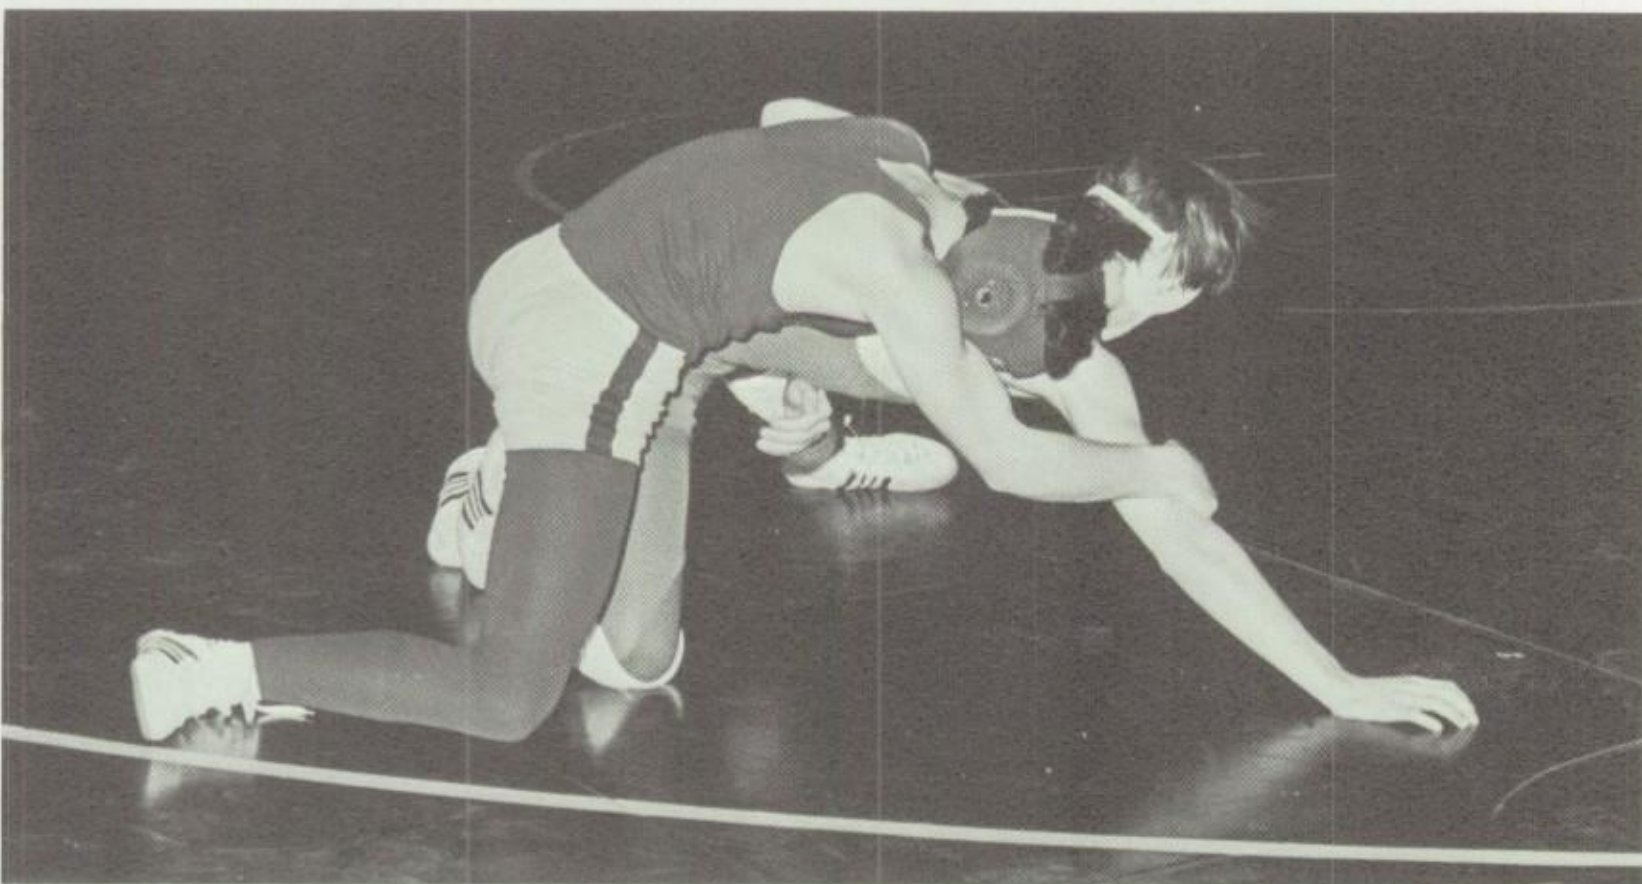

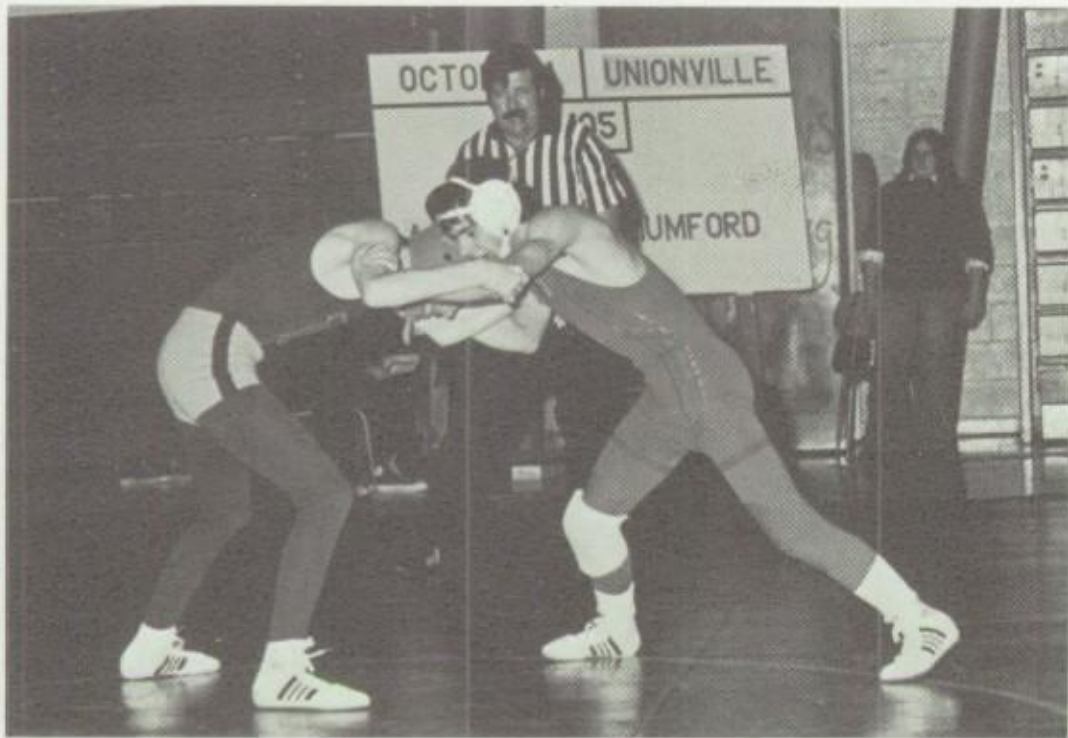

Varsity Wrestling

Unionville's varsity wrestling squad is definitely struggling this year. This is a disappointment after our previous team tied for the championship. The future for the coming team, however, looks bright with many underclassmen returning.

Basketball

This year's Varsity Basketball team, led by Captain Leon McCreary, has played quite well. Although all games have been a struggle, most all games have been won or lost by a very close score. With the great fan support they get, our team will definitely stay in contention for the play-offs.

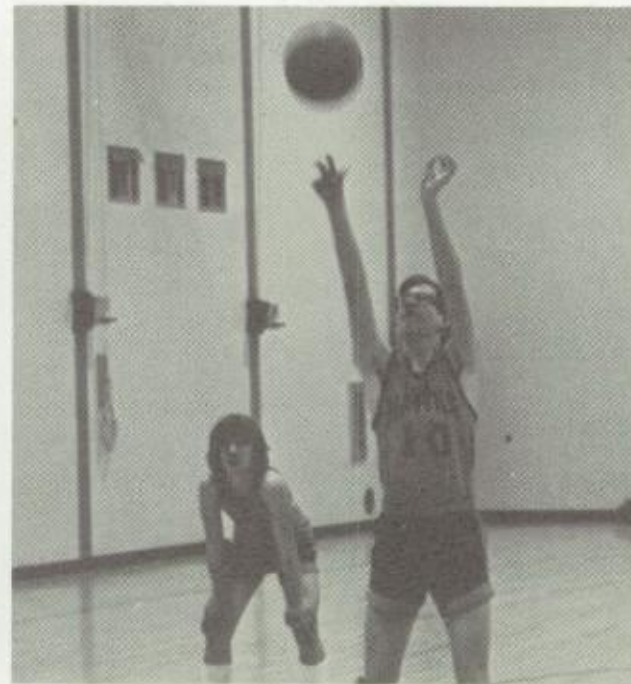

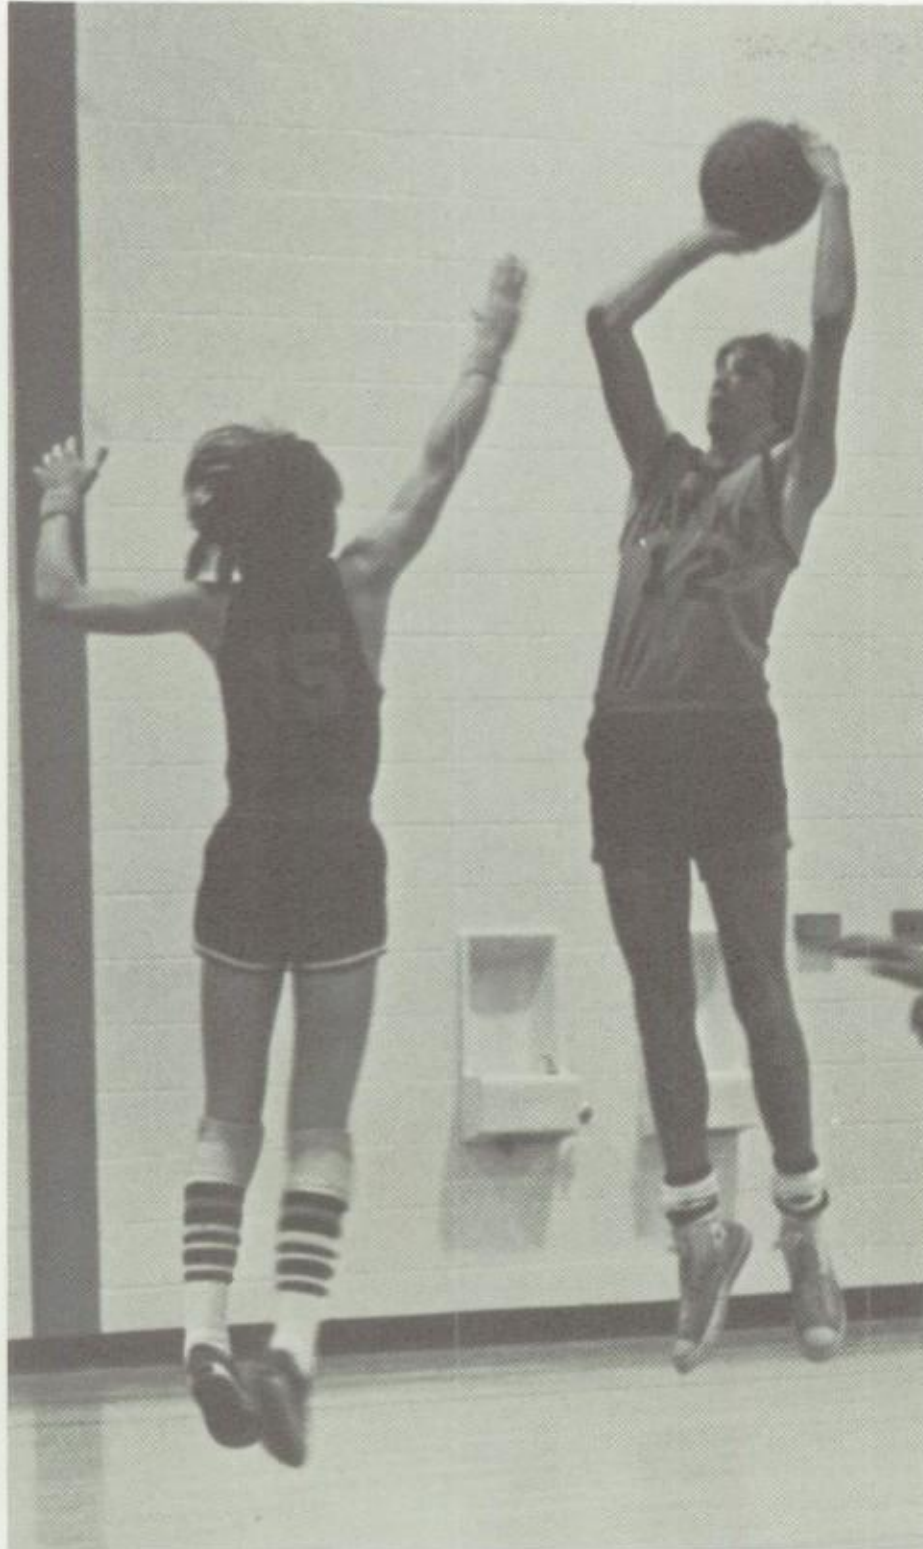

J.V. Basketball

Presently our J.V. Basketball team is right in the running for the S.C.C.L. J.V. Basketball Championship. They have a lot of young sophs who make Unionville's future look bright. Hopefully they will take the league lead now and later.

Rohlfig, Coach, Absent.

The runners, throwers, and jumpers of Unionville fought for one second less or one inch farther. Coaches Rohlfing and Kane helped each potential to be developed more. In the '73 season, girls were permitted to participate and did well against both male and female competition.

Lacrosse

VARSITY SQUAD: TOP ROW: B. Bean; F. Powell; S. Ward; MIDDLE ROW: J. Singer, D. Marshall; D. Durand; D. Poole; J. Beddall; M. Mitchell; FRONT ROW: D. Bouma; K. Herrman; F. Bailey; D. Landefeld.

Centuries ago American Indians created lacrosse. Now the Indian maidens of U. H. S. , amidst cries of "UNGAWA, " are showing their prowess at the ancient game.

Varsity

Their performance on the baseball diamond reflects the brilliance of Unionville's ballplayers. Last season the team's first-year coach, Mr. Kern, led the team to a 7-4 record. Unionville's team went to the championships and proudly carried home a second place.

Color My World

"Color My World" was the theme for the 1973 Junior-Senior Prom. When, as Kipling said, "The oldest colours are faded..." the one hundred couples that attended will still remember that night. Shortly before twelve o'clock, it was over, and the Seniors went on to...?, while the Juniors rushed home before their cars turned to pumpkins and their finery to sweatshirts.

"...But, the harvest-time of love is there." Where? It was at Unionville this year during 1973's Harvest Queen Pageant.

Emotions were high and tensions great but the nine participants performed faultlessly. A memorable occasion to view in the mirrors of time!

The honor of Harvest Queen went to Denise Darling. First and Second Runners-up were Sue Bufington and Susan Wheatley who both received the Friendship Award as well.

Members of 1973's Harvest Queen's Court were:

The Many Loves of Dobie Gillis

"The Many Loves of Dobie Gillis" became a success through the seniors' own special brand of 50's spirit. The cast enjoyed digging through the attic for the costumes almost as much as seeing each other in the crazy outfits. The senior play definitely went well, but only because of our hard-working coach Mrs. Miller, and through late nights, hard work, gallons of hot chocolate, last minute fixups, a great deal of luck, and oh, yes, the band. Although they were really just a lot of stuffed shirts, we must admit that our illustrious band strove diligently to create a sound all their own. Everyone loved the play, even the rough spots, and was sorry to see it over.

Spirit Week

This year each class at Unionville made such an outstanding contribution to Spirit Week that it is sure to be remembered for a long time. The freshmen idea was little children, and dress-up day looked just like elementary school again. The sophomores used our new football team for an effective theme, and the juniors showed their spirit as Indians. The senior class really came through with their theme, which was gangsters, and also let their love of comedy show in the hilarious get-ups many wore. Spirit Week was a great success, from the decorations to the cheering. None of it would have happened without the many people who cheered us on to victory that same night, the people who are proud to stand up for Unionville High School.

In Memoriam

Diane Faye Sharp
(1956-1970)

"Use hospitality one to another without grudging." I Peter 4:9
This verse was meaningful to Diane.

"According to my earnest expectation and my hope that in nothing I shall be ashamed, but that with all boldness as always so now also Christ shall be magnified in my body, whether it be by life, or by death. For to me to live in Christ, and to die is gain."
Philippians 1: 20, 21

In Memory of Two Friends

Death.

What is it that can strike so often and so painfully?
So many die everyday;
The world goes on,
Only a few touched by what has happened.

How can one comprehend death?
One moment a person is here;
The next, he is gone.

Why is it that the young are so often taken,
Those with a lifetime ahead of them?
It is easier to see a grandmother With her life full, and contentment written on her face Die, than a child of two or sixteen.

I have seen two friends die in three years;
Diane, thirteen,
So bright and full of promise With a faith and love that was an inspiration to us all.
Scott, sixteen,
Ever eager to brighten the day with the sound of his laughter,
Always courageous, even to the end.
Why should they die any more than any other?
And when they go, we are left behind,
Remembering always the times we were together.

That is the sad part of death. Those that are left behind, friends and acquaintances, Will have only a memory That may fade with the passing of time, But will always remain in our hearts.

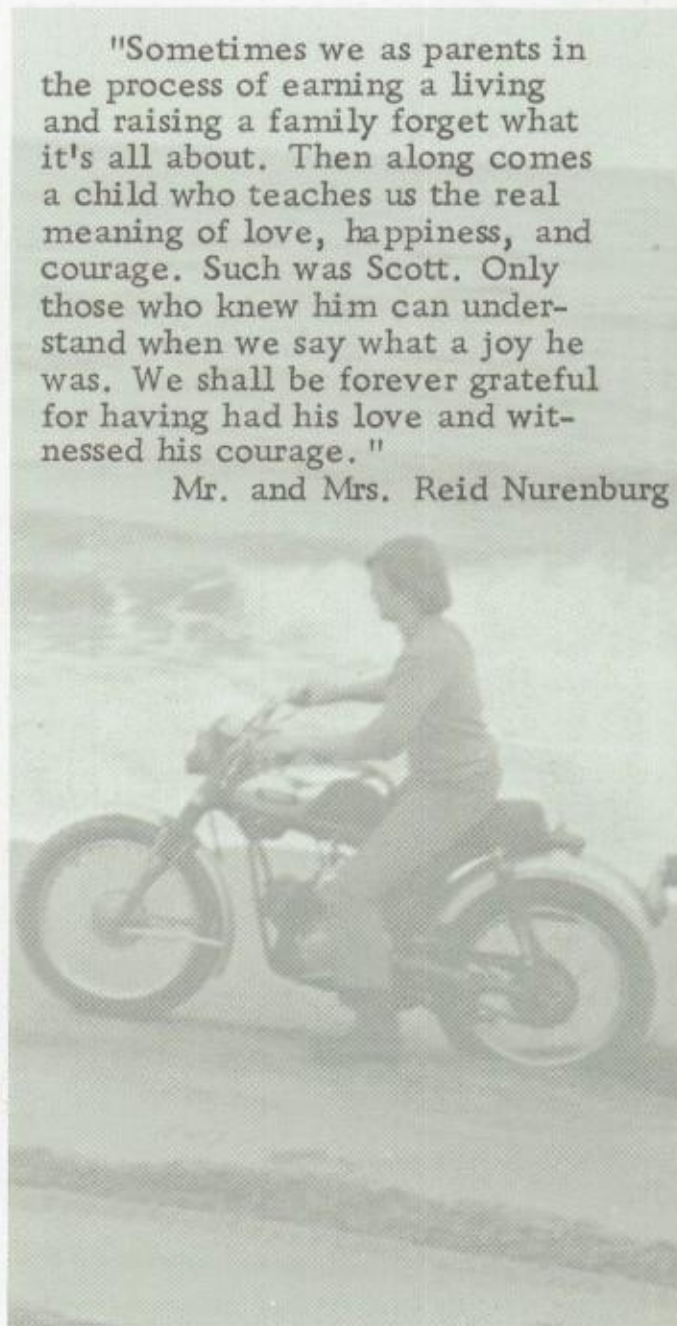

Sue Buffington

Reid Scott Nuremburg
(1956-1973)

"Sometimes we as parents in the process of earning a living and raising a family forget what it's all about. Then along comes a child who teaches us the real meaning of love, happiness, and courage. Such was Scott. Only those who knew him can understand when we say what a joy he was. We shall be forever grateful for having had his love and witnessed his courage."

Larry,

Today really great guy. We
had some really nice times
together. I know I'll never
forget them, and I hope you
won't either. Be good over
the summer and stop by
sometime.

Love always,

Pam

probably see ya
during the parties
this weekend and this
